1. Attendance and reading (How many classes did you go to? How much work did you do? etc.):
  
2. Conduct of class meetings (How organized and prepared was your instructor? Were explanations clear? Did classroom atmosphere encourage you to participate and learn actively?):
  
3. Readings (Comment on the course packet and *The Edible Woman*. How clear was the reading? Were they well-organized? How relevant were they to the course? Were they interesting, useful, too much, too difficult, etc.? Are there some works or topical material you would like to have read?):
  
4. Assignments and tests (How related were they to the course? How well did they cover things learned in class? What are your opinions about the reading responses? Did you find the quizzes and tests too long? too difficult? Do you think enough time was given to do them? Comment on the frequency and quantity of assignments and exams. How was the grading? Did you think it was fair?):
  
5. Other course material and activities (How useful were the handouts, creative writing, group work, games, course webpage, etc?):
  
6. Did you get enough helpful comments on your performance, your writing, etc.?
